Conference programme

New hybrid offerings for 2021!

Over the past 19 years, this specialist residential conference has grown from strength to strength and for 2021, we are delighted to be heading back to the prestigious five star Celtic Manor Resort in Newport South Wales!

For 2021, we are delighted to offer our delegates the option to either attend the event in person or view the conference online via our virtual platform. All delegates will have full access to the APIL Conference App and this new feature will play an important role in the event, giving our sponsors and exhibitors even more opportunity than ever before to keep in touch with the conference attendees.

This year, this specialist conference will concentrate on the theme of **'Sensory injuries - including vision, nerve damage, pain and hearing loss'** and it will also provide important updates on the latest developments within clinical negligence law.

In terms of networking, we are pleased to bring back our informal welcome reception on the Tuesday evening, and our popular dinner dance returns on the Wednesday evening!

This is an extremely popular event and the sponsorship and exhibition packages are limited so we would urge you to book as soon as possible to avoid disappointment.

Attendees

This event is commonly known as a 'must attend' event for many clinical negligence lawyers.

The conference programme is geared towards clinical negligence specialists and this provides you with the perfect opportunity to network with key decision makers, partners and senior partners.
